**Celebrating Mission And Ministry
Through Commitment**

How we define commitment:

**Collectively and individually we pledge to
commit:**

- Our time, skills, and money to the work of justice, mercy, and community.
- Ourselves to worship our God through praise, prayer, and service.
- Our individual talents to the work we have been called to do, and
- To re-evaluate these commitments as our individual circumstances so that we effectively care for all aspects of our lives.
